Special Note Regarding Forward-Looking Statements

Statements in this press release that are not historical facts are “forward-looking statements” within the meaning of U.S. federal securities laws. These forward-looking statements are estimates that reflect our management’s current expectations, are based on assumptions that may prove to be inaccurate and involve known and unknown risks. Accordingly, our actual results or performance may differ materially and adversely from the results or performance expressed or implied by these forward-looking statements, including for reasons that are beyond our control. For example, we may not be able to maintain our current acquisition or disposition pace or identify future properties to acquire on terms we consider attractive, and our current property portfolio may not perform as expected. Furthermore, the capitalization rate of our investments represents the net operating income of an investment for the year preceding its acquisition or disposition divided by the purchase or sale price. Capitalization rates represent historical performance and are not a guarantee of future net operating income. Accordingly, you should not unduly rely on these statements, which speak only as of the date of this press release. We assume no duty to update the forward-looking statements, except as may be required by law.
